Community Manager at Ethernity CLOUD

Ethernity CLOUD is looking for a Community Manager to join our team and help drive engagement and retention among our members and supporters. The ideal candidate will have at least 3 years of experience in a similar role and a strong understanding of social media and online community strategies.

Who we are

Ethernity CLOUD is the new kid on the block of the confidential cloud computing. We aim at offering high levels of confidentiality, 24/7 availability, and blockchain-based integrity while lowering service costs and vulnerability. After three successful Token Sale Rounds, we have a running Testnet that is currently expanding and have ambitious plans for 2023 that culminate with a Mainnet launch. So come and join the confidential computing revolution!

What you'll be doing

- Develop and implement social media and online community strategies to increase engagement and retain members/supporters.
- Identify, recruit, and coordinate community leaders, ambassadors and advocates, by empowering community members.
- Work with the operational team to identify and resolve issues affecting the community.
- Collaborate with the marketing team to execute social media campaigns and promotions
- Analyze community data and metrics to identify trends and areas for improvement.
- Coordinate weekly activities, including online/offline events, actions, and contests.
- Maintain the overall morale and motivation of the community and the community leaders.

Must have

- Strong communication skills
- Strong grasp of the English language (Romanian/Russian is a plus)
- Positive attitude
- Highly motivated
- Strong organizational skills (ability to manage multiple communities and projects)
- Advanced behavioral and psychological knowledge
- Marketing and social media know-how
- Creativity and problem solving
- Willingness to take action and propose changes and improvements

Nice to have

- Blockchain knowledge
- Marketing automation knowledge

Experience level:
